

Minutes May 12, 2015

Chairman William Port, City of Tampa welcomed everyone and called the meeting to order.

Plant City distributed a list of items that they were applying for as safety project supplies.

Fred discussed the plotter being purchased previously with HSIP monies. Suggestion for submission grouping was made.

City of Tampa presented their requests for materials. Red, Yellow and florescent green for stop signs, warning and crosswalks respectively. Other materials were also included in the submission.

Comments were had that the application was fairly simple, a few difficulties to find the Crash mitigation data to justify for materials.

Hillsborough County was able to offer some resources as staff.

Motion was made by Bob Campbell of Hillsborough County to endorse City of Tampa and City of Plant City Safety Project applications. The vote was unanimous.

The meeting was adjourned. A sidebar discussion after the meeting on legislation bills concerning hazardous walking to school issues occurred.
