

Meeting Minutes September 23, 2015

Chairman Mike Bunk welcomed everyone and introductions were made. Discussion was had about any other impassable roads due to the flooding. Dave Carr asked about millings and tar and sealing.

Manny asked about bylaws and new members and lack of attendance and dismissing members due to non-participation.

A new photo to update the website was requested at the October meeting.

Dave Cruz discussed the Cottee River Bikefest on October 9 and 10th.

Discussion was held on helmet laws, insurance and other motorcycle topics. An analogy was drawn between football players and wearing protection and playing on grass surfaces and motorcyclists not wearing helmets and riding on asphalt.

Discussion was had on events such as the Bikefest and security and alternate transportation plans for participants.

Discussion was had on bylaws and instituting rules for participants.

Additional discussion was held on the topic of motorcycle crashes and some aspects of recent crashes.

Mike talked about a possible safety app for phones which led to a discussion on technology.

Pasco County has completed a RSA for Sanders Elementary on School Road. It does warrant some crossing guards, there are 2 positions needed.

Discussion was had on Oakstead Elementary school and a transportation issue they are currently experiencing that might be able to be resolved with the relocation of a bus stop.

Work began on a Kwik Curb project at Bailey's Bluff and Vista Cove.

Minutes were approved with corrections.

Discussion was had about the Statewide CTST Meeting in October.

Discussion was had about John Long Middle School on Mansfield.
